SCHOOL SONG

AGE QUOD AGIS

Our school we all love dearly
We think it is the best:
Maroon and Gold our colours.
The Rising Sun our Crest;
Our Motto means: At all times we try to do our best:
At home, at school, at work, at play
We put it to the test.

CHORUS

*Age Quod Agis- Age Quod Agis,
On Maroon and Gold the sun won't set
Try to do your best; put it to the test,
Age Age Quod Agis*

To those who love and train us
We owe a special debt;
To self we owe it also
High moral goals to set,
Our emblem sun keeps shining,
and it must never set
Our hopes and aspirations placed
As high as they can get

CHORUS

Our efforts must be constant
In all things big and small;
The rising sun our target:
Our standards must not fall.
Our motto means a great deal
It is for one and all, the home, the school, the nation hear
The Wolmer's Clarion Call.
